

SMART INDIA HACKATHON 2025

TITLE PAGE

- **Problem Statement ID – SIH25032**
- **Problem Statement Title- Development of a Smart Digital Platform to Promote Eco & Cultural Tourism in Jharkhand**
- **Theme- Travel & Tourism**
- **PS Category- Software**
- **Team ID- 55775**
- **Team Name (Registered on portal)- Yatra Tech**

Idea Title: **Yatra One**

Problem Statement:

Development of a Smart Digital Platform to Promote Eco & Cultural Tourism in Jharkhand

Proposed Solution:

- **All-in-one Travel Platform** – a single hub for all travel needs in Jharkhand.
- **Discover Destinations** – explore hidden gems, popular spots, and unique attractions.
- **Connect with Local Guides** – authentic experiences through friendly local experts.
- **Cultural & Heritage Insights** – learn about Jharkhand's rich traditions and history.
- **Unique Attractions** – showcase tribal art, festivals, cuisine, and natural beauty.

Our Moto:

'Let's Put Jharkhand On the Map'

Core Features

Our USP

- **Virtual Pre-Experience** – travelers can take 360° virtual tours before visiting.
- **Culture-as-a-Service** – interactive learning modules on tribal art, heritage, and traditions.
- **Human Touch with Tech** – direct, seamless access to verified local guides

To see our working
Prototype

FEASIBILITY

Jharkhand: untapped eco-tourism & tribal culture market

Growing internet & smartphone penetration

Challenges & Risks:

Limited digital literacy in rural/tribal communities

High initial cost of AR/VR content creation

Data privacy & cybersecurity risks

Strategies to Overcome:

Training workshops for local communities

Strong data encryption & secure payment gateways

Government + NGO partnerships for funding/support

Training Workshops

Empowering locals with digital and tourism skills.

Data Encryption

Ensuring privacy and trust through secure systems.

Partnerships

Building collaborations with government and NGOs.

Scalable Infrastructure

Preparing for growth with robust systems.

Impact on Our Target Audience

- **Immersive Access** – for tourists, researchers, and Others through virtual journeys and guide connectivity.
- **Global Recognition** – showcasing Jharkhand's cultural heritage to the world.
- **Boosts Local Economy** – more opportunities for local guides, artisans, and communities.
- **Educational Value** – provides students and researchers with authentic cultural and historical insights.
- **Inclusive Tourism** – makes Jharkhand accessible even for people unable to travel physically.

Tourist Benefits

Tourists

Easy access, immersive experiences, authentic itineraries.

Increased visibility, direct market access, skill development.

Local Communities

Government

Better tourism data, increased revenue.

Social Benefits

Community Empowerment

Strengthening local communities through support

Skill Development

Enhancing skills to improve livelihoods

Eco-Friendly Tourism

Promoting sustainable tourism practices

Cultural Appreciation

Fostering respect for tribal traditions

Economical Benefits

Boost to Local Economy

Increased revenue through tourism and local sales.

Job Creation

New employment opportunities in tourism-related sectors.

Positioning Jharkhand

Establishing Jharkhand as a key tourism destination.
